

AIC's Year of Jubilee

Proclaiming the Lord's Favor

August 2008

Dear Friend of American Indian College:

Renewal

American Indian College invites you to the "Jubilee Celebration of Praise" taking place on the AIC campus October 21-24, 2008. This wonderful event marks the culmination of our year long celebration of the College's Fiftieth Anniversary. The Jubilee event culminates in a special Celebration of Praise on Friday, October 24, 2008. You will be blessed by testimonies, reports from former Presidents, music from each decade and special times of fellowship.
